Hallsboro, North Carolina

IN APPRECIATION

the '69 Bogue to two people who have given unselfishly of their time and effort to the improvement of Hallsboro High and the upholding its standards of learning, and who

Mrs. Wyche, a former graduate of Wake Forest where she received her B.A. degree in English, has been teaching at Hallsboro for over three years. During this time she has displayed a true interest not only in her classes but in sports and extracurricular activities. She has helped to organize a Fine Arts Club and her interest in it has drawn students' interest also. She has attended football and basketball games and supported the "Tigers." Truly she has not only shown us the road but has lighted the way. We are thankful that we can show our appreciation with this presentation.

... WE DEDICATE

have shown a genuine interest in the individual students. We present this annual to Mrs. Melba Wyche and Mr. Mack Edwards.

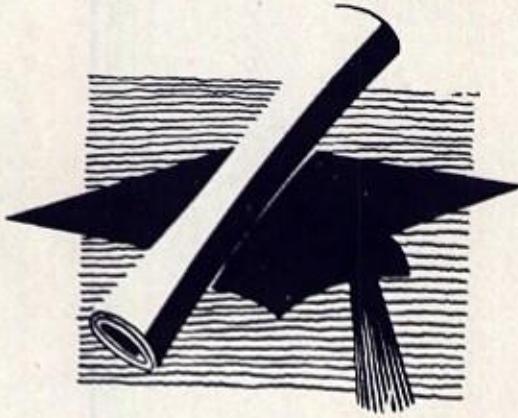

Mr. Edwards, has been at H.H.S. for years. He received his B.S. Degree in Agriculture at N.C. State University. Since he came to Hallsboro he has shown the true leadership of a teacher. He has taught agriculture year after year with never-ending interest in either it or his students. As a part of his class he has initiated campaigns to improve the school campus by building, repairing, and keeping it clear. In addition to his classes he is sponsor of the F.F.A. Club and coach of the basketball team. He dedicates far more of his day to school and school activities than an average teacher. In presenting this annual to him we wish to say that along with it goes our deepest gratitude and a reminder that we are aware of his contributions and loyalty to Hallsboro High School.

Beta Club

The National Beta Club is a non-profit, leadership-service organization. Its main purposes are to stimulate effort, reward achievement, and to encourage and to assist its members to continue their education after high school. The qualifications for membership are worthy character, good mentality, creditable achievement, and a commendable attitude. Along with these, our local chapter members must maintain a ninety average. Our members were able, in part to achieve this goal with the help of our principal and our sponsors, Mrs. Mintz and Mr. Shipman.

Tiger Sports 1968-1969

The Sports section this year is for the coaches, players and cheerleaders, for their hard work in improving the athletic program at H. H. S., but this section is especially dedicated to you, the STUDENT BODY, for your loyal support and sportsmanship.

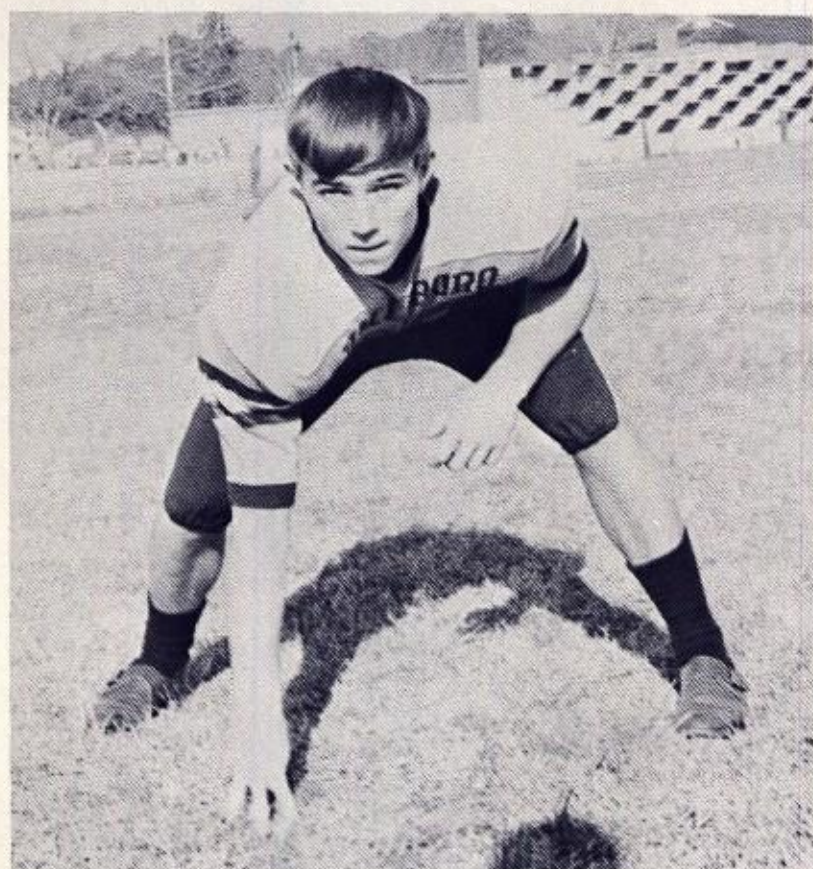

Varsity Football

FIRST ROW L to R: Randy Ward, Jerry Harrell, Buddy Foreman, Ricky Barefoot, Roderick Formyduval, Johnny Perdue, Timmy Richardson. SECOND ROW L to R: Jerry Dowless, Jesse Pierce, Gene Cheek, Johnny Mullis, Randy Hinson, Donald Hopkins, Walter Huffman. THIRD ROW L to R: Leslie Fales, Ralph Spaulding, Curtis McGirt, Barry McPherson, Robbie Davis, Eddie Holloman, Joe Harris, George Harris.

TOUGH — That is the only word to describe the 1968 Tiger football team. This year they had their best year in the history of eleven man football. They won eight and lost only two. They were one of only two teams in the state to beat Fairmont, and Coach Bullard was named Coach of the Year. Congratulations to a great team.

The 1968-69 Hallsboro Cheerleaders have worked hard to give us a squad we can be proud of. Under the leadership of their sponsor, Mrs. Russell, they have attended a Cheering Camp at Chowan College and have practiced many long hours in order to keep in step with the NEW LOOK in Sports at Hallsboro.

WACCAMAW BANK AND TRUST COMPANY

Whiteville, North Carolina

We are now near another year's end. But it's just another year. It has been a unique and very special one, not just for the seniors who graduate this year, but for the entire student body.

We don't have any specific theme this year, but if we did I think it would have to be "Improvement." We have taken giant steps this year in many areas of campus activities—in sports, clubs, routine, schedules, and classes. In sports, the athletes have led the way, followed, supported and encouraged by the entire student body with a display of school spirit that has not been equaled.

In this annual, we have tried to capture a few of the moments "you" hold dear. Through you, this annual is possible. It is your annual. We hope you will enjoy and treasure it always for the memories it brings back to you. We have tried to model this book by your standard, using your suggestions. This is one of the last years of H.H.S. and a really great one. We hope this annual will effectively represent that year. Now, on behalf of the Class of '69, farewell.

Sincerely,

Johnny Mullis

Editor
